Message from the President

The Committee would like to welcome you all to the 2020/2021 season. We are especially pleased to welcome our new players and hope that you will enjoy Tee-Ball as much as we do. It is wonderful to see our previous Players returning this season as well. Your club has worked hard to try to cater for all players as best we can.

Remember lots of parent help is needed for our club to run smoothly. So don't be shy mums & dads. For more information on what's happening or up and coming events, keep a close eye on the 'Link Up' newsletter. If you have any suggestions or comments please pass them on to our

Publicity Officer, Andy. Finally have a season that is safe and above all FUN! Good Luck to all teams and players.
